

---

**Rationale**

**Policy**

The Catholic Independent Schools, Diocese of Victoria, recognizes that the success of the system depends ultimately upon the caliber of its professional staff. The Catholic Independent Schools, Diocese of Victoria, expects its teachers to demonstrate the academic and professional competence necessary to work co-operatively in the field of general instruction of pupils, motivated by the philosophy and general educational goals of the Society, which stress the importance of each student as an individual and independent creation of God.
